Daw Prew

- Read about Advice

- Go to the library and find a book on organization

- Buy a book about organization online

Daw Prew

- Go to the school for advice
- Use the multitude of resources the school has to offer
- Ask a campus advisor about it

Daw Prew

Where to start

- Try different types of organizers

Google Calendar
A planner
Another software

Daw Prew

- Attributes of Organizers

Price (If applicable)
On computer/off computer
How effective is it?

Daw Prew

- Read reviews on different types of organizers

- See which one is the most effective for what I am looking for

Daw Prew

Effectiveness

- How is it helping me?
- Is it helping me make better grades
- Is it helping me organize my workload better
- Is it helping me have more freetime
- Is it doing all of this?

Daw Prew

- If it works, I should recommend to my friends the different organizers I used

Daw Prew

Implementation

- When should I start using these techniques
- I have never been a very organized person so it will be a hard transition

Daw Prew

- Should I implement the organizer into other aspects of my life.
- Other than just school, day to day things.

Daw Prew

- Should I use the organizer for all my assignments or just exams?

Daw Prew

Outcome

- Will I use this for the rest of my life or will I just do this in school?
